

## BioDelivery Sciences to Host Institutional Investor and Analyst Day on Friday, October 5, 2018

September 13, 2018

RALEIGH, N.C., Sept. 13, 2018 (GLOBE NEWSWIRE) -- BioDelivery Sciences International, Inc. (NASDAQ: BDSI), a rapidly growing commercial stage specialty pharmaceutical company dedicated to patients living with chronic pain, today announced that the company will host an Institutional Investor and Analyst Day on Friday, October 5, 2018, at the Lotte New York Palace Hotel in New York.

The event will feature presentations by key opinion leaders and medical experts who will provide an overview and insight into the chronic pain landscape, treatment paradigms and use of emerging therapies. In addition, members of BDSI's senior management team will provide a comprehensive overview of the strategic plan to capitalize on market dynamics and further grow its core strategic product BELBUCA®. The BDSI management team will be available to answer questions at the end of the event.

Details of the Institutional Investor and Analyst Day are as follows:

### Event Details:

Date: Friday, October 5, 2018  
Registration: Begins at 7:30 am ET  
Event: 8:00am – 11:30 am ET  
Location: Lotte New York Palace Hotel

Institutional investors and analysts who wish to attend may register [here](#) or email Morgen Alden at LifeSci Advisors at [morgen@lifesciadvisors.com](mailto:morgen@lifesciadvisors.com).

The event will be webcast and interested parties who are not able to attend in person are invited to access the webcast from the Company's website: [www.bdsi.com](http://www.bdsi.com)

### About BioDelivery Sciences International, Inc.

BioDelivery Sciences International, Inc. (NASDAQ: BDSI) is a rapidly growing commercial stage specialty pharmaceutical company dedicated to patients living with chronic pain. BDSI is utilizing its novel and proprietary BioErodible MucoAdhesive (BEMA®) technology and other drug delivery technologies to develop and commercialize, either on its own or in partnership with third parties, new applications of proven therapies aimed at addressing important unmet medical needs.

BDSI's marketed products and those in development address serious and debilitating conditions such as chronic pain, breakthrough cancer pain, and opioid dependence. BDSI's headquarters is in Raleigh, North Carolina.
