

## BioDelivery Sciences to Present Today at the 28th Annual ROTH Conference

March 14, 2016

RALEIGH, N.C., March 14, 2016 /PRNewswire/ -- BioDelivery Sciences International, Inc. (NASDAQ: BDSI) announced that Dr. Mark A. Sirgo, President and Chief Executive Officer, will present at the 28<sup>th</sup> Annual ROTH Conference. The conference, which will be webcast, is scheduled for today, Monday, March 14, 2016, at 9:00 – 9:30 AM Pacific Time (12:00 – 12:30 PM Eastern Time).

Dr. Sirgo will provide additional insight into last week's fourth quarter and end of year earnings call, as well as progress with BUNAVAIL<sup>®</sup> (buprenorphine and naloxone) buccal film (CIII) and strategies supporting further growth of BUNAVAIL in 2016. Also discussed will be the recent launch of BELBUCA<sup>™</sup> (buprenorphine) buccal film (CIII) by BDSI's commercial partner, Endo Pharmaceuticals.

The presentations will be webcast live and can be accessed at [www.bdsi.com](http://www.bdsi.com). For those who are not available to listen to the live broadcasts, replay of the webcasts will be available on the BDSI website.

### **About BioDelivery Sciences International**

BioDelivery Sciences International, Inc. (NASDAQ: BDSI) is a specialty pharmaceutical company with a focus in the areas of pain management and addiction medicine. BDSI is utilizing its novel and proprietary BioErodible MucoAdhesive (BEMA<sup>®</sup>) technology and other drug delivery technologies to develop and commercialize, either on its own or in partnership with third parties, new applications of proven therapies aimed at addressing important unmet medical needs.

BDSI's development strategy focuses on utilization of the FDA's 505(b)(2) approval process. This regulatory pathway creates the potential for more timely and efficient approval of new formulations of previously approved therapeutics.

BDSI's particular area of focus is the development and commercialization of products in the areas of pain management and addiction. These are areas where BDSI believes its drug delivery technologies and products can best be applied to address critical unmet medical needs. BDSI's marketed products and those in development address serious and debilitating conditions such as breakthrough cancer pain, chronic pain, painful diabetic neuropathy and opioid dependence. BDSI's headquarters is located in Raleigh, North Carolina.

**BDSI markets BUNAVAIL<sup>®</sup> (buprenorphine and naloxone) buccal film (CIII) and ONSOLIS<sup>®</sup>(fentanyl buccal soluble film) (CII). BELBUCA<sup>™</sup> (buprenorphine) buccal film (CIII) is commercialized in the U.S. by Endo Pharmaceuticals pursuant to the worldwide licensing and development agreement between BDSI and Endo. For full prescribing information and important safety information on BDSI products, including BOXED WARNINGS for ONSOLIS, please visit [www.bdsi.com](http://www.bdsi.com) where the Company promptly posts press releases, SEC filings and other important information or contact the Company at (800) 469-0261. For full prescribing and safety information on BELBUCA, please visit [www.belbuca.com](http://www.belbuca.com).**

### **Cautionary Note on Forward-Looking Statements**

This press release, the presentations described herein, and any statements of employees, representatives and partners of BioDelivery Sciences International, Inc. (the "Company") related thereto (including, without limitation, at the presentation described herein) contain, or may contain, among other things, certain "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve significant risks and uncertainties. Such statements may include, without limitation, statements with respect to the Company's plans, objectives, projections, expectations and intentions and other statements identified by words such as "projects," "may," "will," "could," "would," "should," "believes," "expects," "anticipates," "estimates," "intends," "plans," "potential" or similar expressions. These statements are based upon the current beliefs and expectations of the Company's management and are subject to significant risks and uncertainties, including those detailed in the Company's filings with the Securities and Exchange Commission. Actual results (including, without limitation, the results of commercialization efforts for the Company's approved products and the clinical trials for, and regulatory review of, the Company's products in development) may differ significantly from those set forth in the forward-looking statements. These forward-looking statements involve certain risks and uncertainties that are subject to change based on various factors (many of which are beyond the Company's control). The Company undertakes no obligation to publicly update any forward-looking statements, whether as a result of new information, future presentations or otherwise, except as required by applicable law.
